

Appendix I

The table below shows a selection (not exhaustive) of arts organisations in the Auckland region and groups them into both practice and funding structure sub-sectors. The far right column shows which groups have been represented at two public meetings conducted by the sector in 2009-2010 (also not comprehensive). This is intended to provide an indication of potential members who could form part of the Auckland arts advocacy coalition.

Name of Organisation	Practice Sub-sector	Structure Sub-sector	Attends Meetings
• Arts Regional Trust	General	Public	✓
